FOREWORD

As we look back over the events of the school year, 1961-62, we see: in the FALL, the freshmen who are looking forward to a new school life; in the WINTER, the sophomores who are enjoying the many activities that they have discovered; in the SPRING, the juniors who are busy preparing the Junior Play and the Prom; in the SUMMER, the seniors who are concentrating on graduation and their futures. The many activities at Lakeville are enjoyed by the students and the faculty during the entire school year. We hope that you will find many pleasant memories in the 1962 Falcon.

DEDICATION

DOROTHY COLLINS

With our greatest respect and admiration we dedicate the 1962 Falcon to Mrs. Dorothy Collins, our friend and advisor. She has given her time and energy to help us with this year's Falcon. She is a teacher who has always tried to help the students of Lakeville. We realize that she is an important part of our school, and we hope that she will continue to encourage and advise us.

The 1961 Falcons showed great courage and determination in closing the season with two wins and a tie after losing the first six games. The boys are to be commended for their fine comeback and finishing in fifth place in the Genesee County B League with a 2-4 record. Hopes for a good season were dimmed with the loss of quarterback Allen McArthur with a shoulder separation and other key injuries.

The brightest spot of the season was Gary Smith, voted unanimously to the All-League Team and receiving All-State honorable mention. Playing an offensive tackle and a linebacker, Gary caused all opponents troubles with his jarring blocks and tackles. Guard Joe Norton, halfback Carl Snyder, and center Ted Dodge received honorable mention in the all-league balloting.

Although the cross-country team did not show a spectacular season, the boys that did run showed great improvement and we should have a good nucleus next year. Although not having a regular coach, the combined coaching of Mr. Meeker and Mr. Hagadone gave the boys many good pointers.

Gene Willson was our best runner, winning most of the meets and taking second in the County Cross-Country Meet.

This year the homecoming was held on Saturday afternoon, October 7, 1961, instead of on a Friday night. It turned out to be a beautiful day with an unusually large turnout.

Before the game a parade took place around the football field. In it were four floats, and several convertibles carrying the 1960 Queen and the candidates for 1961 Queen.

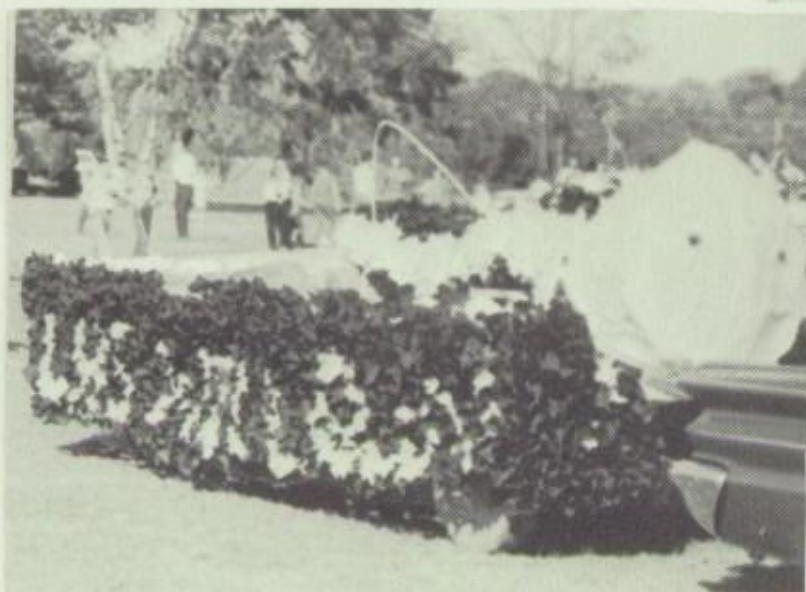

During the half-time, the winning floats were announced and our new Queen, Sandy Barden was crowned. The band presented a short show.

The Fenton team beat the LakeVille Falcons. This was the only let down of the whole day. The homecoming dance was held that evening.

"TERROR IN THE SUBURBS" — SENIOR CLASS PLAY

Act III

The Senior class presented the suspense comedy, "Terror in the Suburbs" written by Frances Stuart and directed by Mr. Davis Hawthorne. The play was held in the Lakeville gym, Nov. 30 and Dec. 1.

This play took place in a suburb of Washington, D.C. The play, a series of hilarious episodes centers around a body hidden in a rooming house. The effort to keep the corpse hidden is finally disclosed, the villains are bashed, a spy ring is smashed and justice prevails. Comedy situations throughout and an experienced cast made the play a great success.

The wrestling team compiled a 1 won 7 lost record for the 1961-62 season. Lack of boys in the lighter weight classes hurt the Falcons because these weights were forfeited each time.

Louis Kader was voted the outstanding wrestler and Bob Sutherby was voted the most improved wrestler by their teammates. Bob was also the high-point man for the season.

The past season was a dismal one, but it was an improvement over last year's record. Last season we give up 15 more points per game and scored 9 points less. Also, this season we lost our last four games by a total of only 14 points.

Five of this season's players will be returning next season with valuable experience. Three of these boys represent the team's top scorers who were seventh, eleventh, and twelfth in the league.

The Future Teachers Club had a much larger and more active membership this year. Activities included cadet teaching, bulletin boards for teachers, assistance with the eye testing program and a tour through the Pontiac State Hospital on May 1, 1962.

F.F.A.

The F.F.A.'s projects for the year were numerous--Christmas tree sale, the banquet with the F.H.A. and other seasonal parties. At the banquet recognition was given D. Folsom, Gold State Farmer; R. Anderson, Silver State Farmer; W. Case and S. Fackler, State Farmers.

Test plots for weed control, fertilizers and corn varieties was the summer project.

This year the Student Council under the supervision of Mr. Meeker set up a student court to handle students who violate certain school rules.

The Council also sponsored the student exchange program. Deanna Stiff, Senior, was selected as our representative and she will spend the summer in Holland. Several money-making projects--baseball games, dance, and the securing of donations from clubs in the area--provided the necessary finances for the program.

Another major project of the council was the revision of their constitution.

The Girls' Athletic Association had several bowling teams which were quite active. They also had volleyball teams and basketball teams.

Their most important event was the camping trip taken by the girls to Higgins Lake for the weekend of June 8th and 9th.

DRAMATICS CLUB

Officers
J. Venturi, K. Nielson, J. Lawrence.

The Dramatics Club's most important event this year was the production of the all-school play, "The Little Dog Laughed," May 19, 1962 in the high school gym. Mrs. Helen Clark, advisor, supervised and Judy Venturi was the director.

The plot centers around a college girl who is a psychology major. During her summer vacation she tried to practice her knowledge on her family and friends--thus creating many humorous situations.

The choir devoted most of the year to preparing for the "Sound of Music," which was a great success and benefit to the entire school. "Sound of Music," a variety show, included the events of the year bringing in sports, cheerleaders, a community chorus and the seasonal activities. It was presented April 5 and 7, 1962 in the high school gym.

The band had many interesting and enjoyable activities this year, beginning with the half-time shows at the Football games. They performed at the Christmas Concert and went to Davison for a Christmas parade. The variety show, "Sound of Music" was a combination of the band and choir in the Lakeville Gym. On Memorial Day, the band participated in the parade at Otter Lake. The Commencement exercises ended up the year for the band, with a trip to Bob-Lo later in the summer.

"ONIONS IN THE STEW" — JUNIOR CLASS PLAY "He's being brutal"

The Junior Class selected the play, "Onions in the Stew" written by Betty McDonald. The play was presented April 12 and 13th in the LakeVille gym. The three-act comedy centered around the hilarious experiences of a family living on an island. The two teenage daughters were greatly upset at leaving their hometown and friends but when the decision was made to move home, they found they could not leave the island. The play was very successful and had one of the largest attendances in the history of LakeVille. All of this was made possible by our capable director, Mrs. Helen Clark.

ROW 2: J. Trudgeon, E. Atkins, M. Hodges, D. Hammond, B. Wiggins, W. Horton, W. Nielson, D. Suffel, R. Raymond.

The J.V.'s had a fairly successful season, winning 9 and losing 7. Led by a pitching staff of four freshmen, Dale Hammond, Kim Tibbits, George Welsh, and Tom Barden, the young Falcons played some excellent baseball in winning 7 of 12 league games. Leading the hitters was Kim Tibbits who batted just under .500. Jim Hughes, Bill Horton, Dave Suffel and George Welsh also were steady hitters. With continued improvement by the boys, prospects look good for future teams.

This year the varsity baseball team compiled a 6 won, 17 lost record. After getting off to a good start against non-league opponents, the team slumped and at one time had a nine-game losing streak. Our team had a year of ups and downs and were very inconsistent in their play.

We are looking forward to a much better season next year if pitchers from the J.V.'s can fill the shoes of our senior players.

LIFTOFF!

For John Glenn
and his family

Science was uppermost in the news with great strides made in the conquest of space. All were thrilled when John Glenn became the first American to orbit the earth. The same great thrill was repeated in the orbit later by Scott Carpenter.

On the local scene, millage was the big question. The first election for operating millage was April 28, 1962 and the millage increase was defeated.

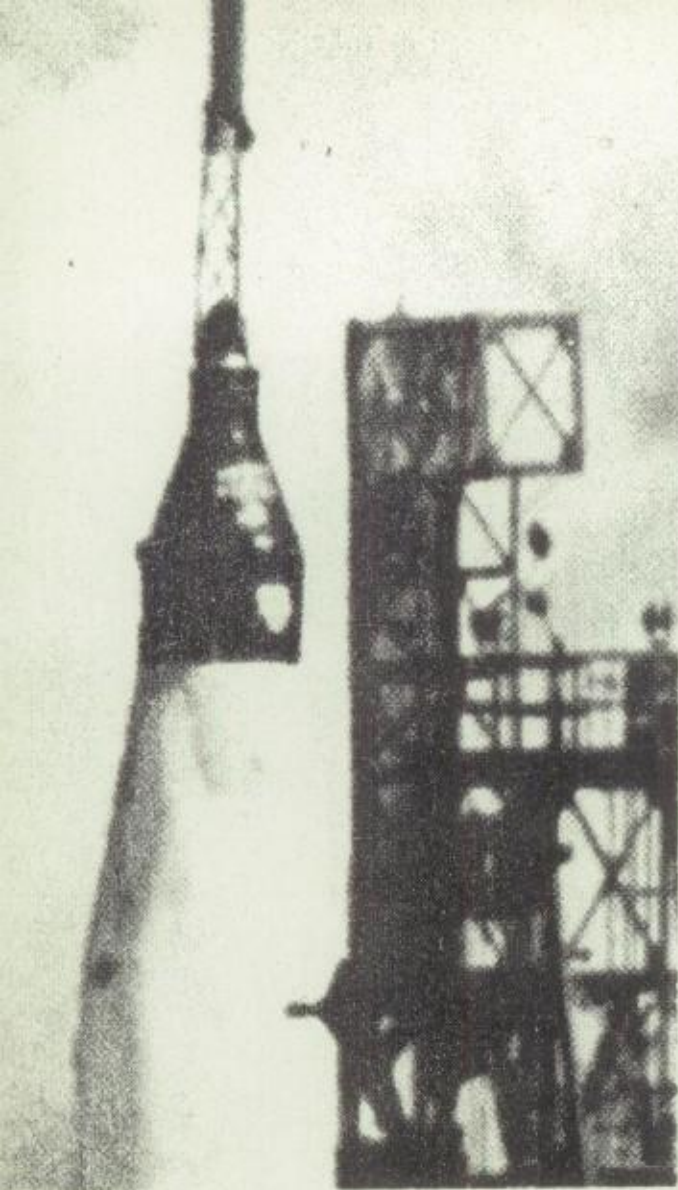

A Citizen's committee formed in an attempt to restore the cuts of music and athletics for next year's program called for a three mills vote for one year. This election with the regular school election was held June 11, 1962. The millage proposal was again defeated.

And Now Everybody Is Doing It

The "Twist" was the dance most popular with the rock 'n roll set. Ratted, bouffant hair-dos, sheath dresses, short, tight skirts were the fashion dictates for the girls. Square toes and stacked heels competed with the very pointed toes and spindle heels. Male fashion trends featured pegged pants and side-winders (shoes). Crew cuts were most popular with the boys.
